

Dining Around Town with Christ the King School

New Month ... New Restaurant! Christ the King School has added a wonderful, family friendly event – “Dining Around Town Fundraiser”. Once a month, a date will be organized at an area restaurant for you, your family and friends can Dine Out and CTK will earn a portion of the sales. CTK is aware of families with food allergies and we are trying to make our Dining Around Town an event for everyone. Please check with each restaurant regarding food allergies.
