This year we will be adding the lunch fee to the monthly tuition rates. The rates will remain the same, \$100 for one child and \$50 for each additional child. Rates above do not reflect the lunch fees. When you register your child/children the rate will be added to your tuition and spread over a period of 11 months. If your child/children do not stay in the school for lunch please notify Denise Valley, Tuition Officer at 215-632-1144

***Families who apply for FACTS (replaces SMARTAID) and are verified will receive a \$205 scholarship per family towards their tuition.**

Note - the monthly tuition rate reflects the \$100 tuition down payment that was paid at the time of registration.

Any family paying in full *prior to Friday, June 29, 2018* receives a **\$100** per family discount along with the \$35.00 Smart Tuition Fee will be waived. Families paying in full should make their payment directly to the rectory.

No child will be permitted to begin school unless the first three monthly payments are made prior to the first day of school, Wednesday, September 5th. **No monthly payments will be accepted at the rectory.** **All monthly payments will be automatically withdrawn by SMART** using the payment method on file. **SMART charges a \$20 late fee** to any month that the payment is more than 10 days overdue. The 11-month payment plan (June-April) begins in June. Please know that June, July and August are no different than any other payment months. Late fees will be applied in June, July and August as well.

Families who sell jackpot tickets or purchase scrip to reduce their tuition costs should send their receipts to the rectory to have the money applied to their tuition payment. Please save your receipts until you have at least \$25 accumulated. (Note that voucher receipts and jackpot receipts are treated separately.)

We require \$12 per week (\$624 per year) in the Sunday collection in order to qualify for the participating rate. We need to monitor that donation as closely as we do tuition payments. Receipt of report cards through Option C** and continuation in school are determined by the following conditions.
