

CTK Scrip Program

Lower the cost of your tuition

by taking advantage of our Scrip Program.

1. Go to www.shopwithscrip.com and set up your account. You will need to call the Rectory at 215-632-1144 to obtain an enrollment code.
2. After you complete your online Shop with Scrip registration, you will need to set up your Presto Pay account. This can be done from the Shop with Scrip website.
3. Presto Pay will make two small deposits into your bank account. You will need to enter those deposit amounts into your Presto Pay account to complete your registration.
4. Your Presto Pay registration will give you a confirmation code to verify you payment information. Email Pat Salera, CTK Parish Business Manager, at psalera@christthekingparish.net with your confirmation code.
5. You can now begin ordering gift cards online. Many retailers allow you to print an electronic gift card. If you choose to have a physical gift card, simply place your order by Friday at noon and it will be ready for pick up the following Thursday at the Rectory.
6. You can also download the Scrip app on your phone for an even faster experience. Download the MyScripWallet app and log in using your Shop with Scrip username and password.
7. While standing in a check-out lane, you use this app to purchase gift cards and pay right there on the spot.

*Each retailer has a percentage listed. This is the percentage that you will get back towards your tuition (minus) - 1% which goes to the Church for handling & shipping charges. To apply your Scrip earnings balance to your tuition, please contact the Rectory at 215-632-1144.

*NB - Scrip earnings can also be used to pay tuition toward any other Catholic institution, including high schools and colleges. **Scrip receipts are valid for 5 years.**
